

Reynders Etiquettes France coming from Parijs (via the A1)

Out of Paris, stay on the **A1** in the direction of Lille.

Before you reach Lille, take the exit **n° 19 "Seclin"**.

On the exit, get in the right lane (there are traffic lights ahead).
Turn right on the D549 in the direction of Pont à Marcq and Avelin.

this means :

- On the first roundabout, keep driving straight on
- On the second roundabout, take the **second** exit in the direction of Avelin, with the gas station on your right hand side

Drive straight on until you reach the church on your left.

Turn left and keep driving straight on. You are already on the "rue de Lille" now.

The entrance for n° 68 is on your right, just opposite the "glass pyramid".

Drive onto the site. There are several building and Reynders Etiquettes France is the one at the back on your left.

Have a nice trip.
