

Reynders Etiquettes France out of Belgium via Lille

When in Lille, stay on the **A1** in the direction of Paris.

Once you've passed Lille and the airport on your left, take the **exit n° 19 "Seclin"**.

Keep in the left lane; there are traffic lights at the end of the exit.

Turn left on the D549 in the direction of Pont à Marcq and Avelin.

This means :

- On the first roundabout, keep driving straight on
- On the second roundabout, take the **second exit** in the direction of Avelin, with the gas station on your right.

Drive straight on until you reach the church.

Turn left and keep driving straight on. You are already in the "rue de Lille" now.

The entrance for n° 68 is on your right, just opposite the "glass pyramid".

Drive onto the site. There are several buildings and Reynders Etiquettes France is the one at the back on your left.

Have a nice trip.
